GRANT CONTINUANCE IN TUTEWILER CASE

Trial of Commissioner to Be Held Oct. 18—Is Still at Hospital.

INDIANAPOLIS, Oct. 12.—The case of Harry D. Tutewiler, president of the board of county commissioners, and a candidate on the republican ticket for re-election to that office, who was arrested Tuesday night on charges of operating a "blind tiger," drunkenness and driving an automobile when under the influence of liquor, was continued in city court Wednesday afternoon until Oct. 18.

The continuance was granted at the request of Tutewiler's attorney, John Ruckelshaus, who appeared in court for him. Mr. Ruckelshaus is county attorney. Tutewiler was still at the city hospital Wednesday afternoon, but it was said at police headquarters he would be released on his own recognizance.

"If there was any liquor in my car last night it must have belonged to some of the other fellows who were in the machine, because I was not drinking and did not have any liquor with me," said Mr. Tutewiler Wednesday afternoon at the city hospital where he was receiving medical attention. Mr. Tutewiler had many bandages on his head and arms.

"I picked up three colored men at a restaurant in Indiana av. when I sat down there to rest," Mr. Tutewiler continued. "I left two of them downtown and the other man, whose name I do not know, was with me at the time of the accident. I was driving north in Senate av. when I thought I saw a man cross in front of the car and in trying to avoid hitting him I swerved and then the crash came. It was raining hard at the time and my windshield was so wet I could hardly see through it. I thought I was applying the brakes, but I must have stepped on the gas-line accelerator."

Mr. Tutewiler said he had been in Indiana av. on "some political work," but he refused to say what kind of political work he referred to. He said he realized "it looks pretty bad" for him, but he repeatedly denied having been drunk or having had knowledge of the liquor in his automobile. The police who arrested Tutewiler said the quart bottle, half full of whiskey, was taken from Tutewiler's coat pocket. Mr. Tutewiler did not have anything to say about this detail.

Leon and his brother Franklin, 3 years old, wandered down to the Kalamazoo river. Leon got too near the bank of the river and fell in. Franklin failed to get his brother out and Leon sank. His mother ran to the river bank and could not see her child at first. Finally she found him face down in the water. She pulled him out and held him over her arm to let the water run out of his lungs.

Frank Murfin got a barrel, Little Leon was laid over the barrel and after 10 minutes resuscitation the boy began to show signs of life and before the doctor arrived he was breathing.

HILLSDALE BOARD ASKS EDUCATOR TO RESIGN

HILLSDALE, Mich., Oct. 12.—R. C. Young, county school commissioner, recently took a position at North Adams as superintendent of schools. He has been hiring help to do part of his work, including the visiting. The supervisors Wednesday unanimously adopted a resolution asking for his resignation.

It is understood generally by members of the board that Rev. W. F. Jerome, who has been working in Lansing, has been or is going to be appointed by Secretary of State Charles DeLand to handle the collection of automobile taxes in Hillsdale county. This would take the work from the county treasurer. It would reduce the salary of the county treasurer by about \$1,300 a year, it is understood.

This might mean that the supervisors would have to raise the regular salary. The candidates for treasurer, Oliver J. Aldrich and Thomas N. Brockway, went through the primaries expecting that this would be a part of their salary. Brockway, the Democratic nominee, is a supervisor. Mr. Brockway was not at the meeting of the board Wednesday. Mr. Aldrich says that the regular salary of the treasurer is \$200 a year, the fees from dog taxes \$200 to \$400 and the fees from automobile taxes about \$1,300. He said that at his request, William Prideaux, telephoned to Lansing about the Jerome matter and that Mr. DeLand said that the matter might be held up for a few days.
